

DETENTION CENTER REIMBURSEMENT AGREEMENT

THIS AGREEMENT (07-027-CJH) is made and entered into between the **DEPARTMENT OF CORRECTIONS**, 1539 11th Avenue, Helena, Montana 59620, the **DEPARTMENT OF JUSTICE**, 215 North Sanders, Helena, Montana 59620, hereinafter referred to as "State Agencies", and **MADISON COUNTY**, County Courthouse, PO Box 276, Virginia City MT 59755 hereinafter referred to as "County."

WHEREAS, 7-32-2203, MCA defines the categories of individuals who may be detained and committed in detention centers; and

WHEREAS, Federal, State and County Agencies employ law enforcement officers empowered to make arrests for violations of law which result in detaining individuals in detention centers; and

WHEREAS, 7-32-2243, MCA provides that contracts concerning detention center services and facilities between government units must be made pursuant to the Interlocal Cooperation Act, Title 7, Chapter 11, Part 1, MCA; and

WHEREAS, it is necessary to apportion the costs for confinement and medical expenses of individuals detained and committed in detention centers as provided in Title 7, Chapter 32, Part 22, MCA, et al.

NOW THEREFORE, in consideration of the foregoing, and in consideration of the mutual covenants contained in this Agreement, the State Agencies and Madison County agree as follows:

I. DURATION OF THE AGREEMENT

- A. **TERM.** This Agreement shall be in effect upon signature of all parties and shall remain in effect unless terminated in accordance with Section I (B) of this Agreement.
- B. **TERMINATION.** Either party may terminate this Agreement, in whole, upon 30 days written notice to the liaisons identified in this Agreement.
- C. **MODIFICATION & ASSIGNABILITY.** This Agreement contains the entire agreement between the parties and no statements, promises, or inducements made by either party, or agents of either party, which are not contained in or authorized by this written Agreement, are valid or binding. This Agreement may not be enlarged, modified, or altered except upon written mutual agreement. The County accepts responsibility for adherence to the terms of this Agreement by subcontractors and public or private agents to which the County delegates authority to carry out portions of this Agreement.

II. COMPENSATION

- A. **CONFINEMENT RATE.** Effective September 1, 2006, State Agencies agree to pay Madison County [not more than] the Confinement Rate of **\$65.00** [as established by Beaverhead County] per day for each Madison County inmate confined in the Beaverhead County Detention Center who is the financial responsibility of the respective State Agency. However, Madison County agrees to bill the State Agency at the respective contracted Confinement Rate established by each County under contract with the State Agencies – not to exceed \$65.00.
 - 1. "Day" means each day, or part of a day, including the first day but not the last day of confinement in the County Detention Center.
 - 2. "Confined" means the inmate is remanded to the custody of the County Detention Center.

- B. ESTABLISHMENT OF CONFINEMENT RATE. Madison County does not operate a County Detention Center and, instead, contracts with other Counties to house offenders arrested in Madison County but, [primarily] contracts with Beaverhead County for this service. The parties agree that, to the best of both parties knowledge, the “costs of reasonable confinement” established by each of these contracted Counties are based on actual, reasonable costs, and are **exclusive of capital construction costs** in accordance with 7-32-2242(2), MCA.
- C. BOOKING FEE. State Agencies will pay a **booking fee** of **\$15.00** for each person arrested by a State Agency and booked by Madison County, or their designated County Detention Center, but not confined.
- D. COMMENCEMENT OF REIMBURSEMENT. The parties agree that responsibility to reimburse Madison County for confinement and medical costs shall commence as provided in this Agreement and in accordance with the **Schedule of Cost Responsibility attached as Exhibit A and incorporated herein by reference.**

Regardless of which State Agency is responsible for costs of confinement or medical expenses, a Madison County inmate detained in a County Detention Center remains under the jurisdiction of Madison County and its agents until Madison County transfers, and the State Agency accepts, physical custody of the inmate. The parties agree that no State Agency shall accept physical custody of an inmate without a certified court document supporting the transfer.

Upon receipt of a certified court document ordering transfer of custody, Madison County agrees to immediately contact the correctional facility or appropriate probation and parole bureau. Madison County agrees to provide 48 hours notice prior to transporting an inmate to a Department of Corrections Facility.

- E. COUNTY-TO-COUNTY TRANSFER. If the County Detention Center (as selected by Madison County) transfers an inmate to another County Detention Center, the State Agencies shall reimburse each Center at the basic rate, in accordance with this Agreement.
- F. BILLING. On a monthly basis, Madison County shall furnish State Agencies with an itemized statement specifying the name, date of birth, and dates of confinement of each inmate whose confinement expenses are the responsibility of the State Agency. Madison County agrees to furnish a separate itemized statement for medical expenses that are the responsibility of the State Agency, as provided by this Agreement. The State Agency agrees to provide direct payment to the medical service provider – if requested by Madison County.

III. RESPONSIBILITY FOR COSTS

- A. CONFINEMENT. Except as provided in subsection III (A)(1), the costs of reasonable confinement are the responsibility of the arresting agency unless the Department of Corrections is the arresting agency and the inmate is a probation violator. In that case, the county of the district court retaining jurisdiction over the inmate is responsible for confinement costs. *See*, 7-32-2242(2), MCA.
- 1) Inmates found by the district court to have the ability to pay for confinement are responsible to pay the costs of confinement in accordance with 46-12-403, MCA. *See*, 7-32-2245, MCA.

B. MEDICAL. Except as provided in subsection III (B)(1), whenever the detention center administrator having jurisdiction over an inmate determines that the inmate requires medication, medical services, or hospitalization, medical expenses shall be the responsibility of the arresting agency. If the Department of Corrections is the arresting agency and the inmate is a probation violator, the medical expense is the responsibility of the county of the district court retaining jurisdiction over the inmate. *See*, 7-32-2222(4), MCA.

- 1) Inmates are responsible for the actual costs of medication, medical services, or hospitalization while detained in a detention center. Inability to pay may not be a basis for denial of treatment. *See*, 7-32-2245, MCA. Madison County agrees to make a reasonable effort to hold inmates responsible for their medical expenses.

IV. MEDICATION, MEDICAL SERVICES, AND HOSPITALIZATION

- A. The County is not required to accept any inmates [arrested by State Agencies] who are in obvious need of medical attention. If an inmate refuses medical attention from a licensed health care provider, the arresting agency shall provide a written record of this fact to Madison County.
- B. The determination to provide an inmate with medication, medical services, or hospitalization shall be at the discretion of the detention center administrator.
- C. The County agrees to provide inmates with emergency medical treatment in accordance with acceptable standards of practice.
- D. Prior to authorizing non-emergency medical services for inmates whose medical costs are the responsibility of the Department of Corrections, Madison County shall contact the appropriate designee of the Department of Corrections. The contact is the Manage Care Coordinator at (406) 846-1320 ext: 2254.
- E. In the event an inmate requires extended hospitalization and the resulting medical costs are the responsibility of a State Agency, the State Agency agrees to reimburse Madison County for costs associated with providing a guard, including wages, employer contributions, and incidental costs.

V. LIAISON

Gary Willems of the Department of Corrections (406) 444-4941, Doug Booker of the Department of Justice (406) 444-5842, and David Schenk, Madison County Sheriff (406) 843-5301, or their successors or assigns, shall serve as liaisons for purposes of discussions with respect to this Agreement.

VI. INDEMNIFICATION

Madison County agrees to indemnify the State Agencies against any liability the State Agencies may incur related to the confinement and treatment of inmates arrested by each agency and housed in the detention center. However, Madison County, its officers and employees shall not assume any liability for acts of the State or any of its officers, employees, or agents. The State Agencies shall indemnify Madison County against, and hold Madison County harmless from, any and all claims whatsoever arising against Madison County, its offices, agents or employees by reason of any act or omission of State Agencies, its agents or employees, in performing this contract.

VII. ACCESS TO RECORDS

Madison County agrees to create and maintain reasonable records of performance of duties pursuant to this Agreement and agrees to provide the State Agencies, the Legislative Auditor, or their authorized agent with access to such records.

VIII. VENUE

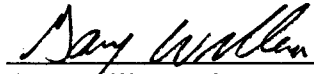

The parties agree that any mediation, arbitration, or litigation arising from this Agreement must be brought to the First Judicial District in and for the County of Lewis and Clark, State of Montana.

IX. MISCELLANEOUS PROVISIONS

- A. This Agreement must be reviewed and approved by the Attorney General and filed with the appropriate county clerk and recorder and the Secretary of State, pursuant to Title 7, Chapter 11, Part 1, MCA.
- B. There shall be no separate legal entity created as a result of this Agreement.
- C. This Agreement will not result in the acquisition of property requiring disposal upon termination of the Agreement.
- D. The above-state provisions constitute the entire Agreement between the parties hereto.
